

The *Perfect* Fit

Brown Schultz Sheridan & Fritz (BSSF) is a premier CPA and consulting firm in central Pennsylvania with offices in Camp Hill and Lancaster.

BSSF is small enough to provide “hands on” personalized service, yet large enough to have the resources to resolve complex accounting and tax issues—making us the *Perfect* fit.

BSSF can serve as an alternative or supplement to an internal accounting department. Our SBAS (Small Business Accounting Services) team will work from your location or ours. We are geared towards closely held companies that require personal attention and assistance in accounting, payroll, and other business services.

We understand that business owners and entrepreneurs are faced with many challenges. Continued rising costs, complex regulatory issues, and tax concerns can keep you from focusing on the other demands of your business.

Let the experienced SBAS professionals at BSSF handle your accounting and tax needs so that you can concentrate on managing and growing your business. You will soon agree that BSSF is the *Perfect* fit.
